Children who are not able to go along to any clubs after school are welcome to come to the headteacher with a plan for a club and, with an acceptable plan can run a club in a lunchtime.

Active schools also have a programme of sports clubs which run in the area. The school sends out this programme to parents regularly.

If any adult has a talent they would like to share with the children – whether it be a long term club or just a one off, please get in touch with the school office.
