

House Information

We place a high value on learning about working as a team and the benefits of good behaviour, so the School House System is an important part of school life.

Your child will join one of the four school houses.

The children chose the house names.

Griffin

Phoenix

Unicorn

Dragon

Each child is placed in a house, with siblings in the same house. Older children are given the responsibility to serve as House Captains.

Throughout the year, students receive points (pebbles) for their house. Your child will receive house points as rewards for things such as good behavior, good work, and good attitude.

Regularly the house captains count the pebbles and go around the classes spreading the good news! We have termly house meeting to boost morale and organise house events. Each house hosts a fundraising event over the year.

The winning house has a house trip at the end of the session, funded by the PTA.

There is a wonderful sense of camaraderie generated throughout the school with the house system.
